

Arsenal Volleyball Academy had a very successful first season and we want to thank everyone for their time, effort and commitment to our program. With that being said we had some lessons learned this season and have been working hard to make improvements for our players, parents and coaches.

We are excited to say that we are more than ready for this coming season and are pleased to announce that we will be moving to a new practice facility at Sports Plus located at 10765 Reading Rd in Cincinnati. The facility is inside the 275 loop and easily accessible to I75. Sports Plus has hosted many large events including the Midwest Power League. The move to Sports Plus gives Arsenal the chance to work with sports minded people in an establishment that has been in operation for many years.

In addition, Sports Plus offers the following amenities:

- 4 courts to use during practice
- 7 courts to use for tournaments
- Court time for lessons
- A clean and safe environment for our players
- Air conditioning and heat
- On-site administration offices for team meetings
- Space for strength and conditioning training
- Locker rooms with adequate restrooms
- A full restaurant/sports bar
- A fun-land for younger brothers/sisters to play in, two hockey rinks and basketball courts are also on site.

And many more areas that are currently in the works!

Our first year for Arsenal Volleyball Academy was great but we know we can be better. We have received all of your feedback from our year end survey and appreciate everyone taking the time to fill it out. As part of our commitment to you and offering a quality program we have decided to make this move to Sports Plus as we see this as one small step in making our program better. Also, we are in the process of updating our website, so be on the lookout!

Enjoy your high school seasons and look for us in the stands! Good luck and we will see you for open gyms in November!
